## “SPONSOR A GOLD LEAF” SCHEME

Our Gold Leaf Tree has arrived and many must have already seen it in the Community Center. When visiting ancient temples you can see thousands of names engraved on walls leading to the temple.

This is a rare opportunity to commemorate your family’s faith in God and to express your commitment to the temple. This will also help the Temple in paying off our loan. We request you to take advantage of this opportunity and donate a “gold leaf” of your choice.

Please make sure that the name engraved on the “gold leaf” will not exceed 20 characters including the space and punctuation marks.

Price for the “gold leaf” is \$ 1000\*\*\* per leaf

(There are only 200 leaves and it will be given on a first come first serve basis.)

This money can be pledged in four equal installments of \$250/- each. At the end of the fourth installment the leaf will be engraved on the wall.

“Gold Leaf” will be displayed on a tree inside the Community Center of our temple.
